

### Unidata Policy Committee

Weather-Ready Nation Saving Lives and Livelihoods

April 22, 2014

LeRoy Spayd - NOAA/NWS

Portfolio Manager, Chief Learning Office

- Budget
- HQ reorganization
- AWIPS 2
- National Water Center

### NWS Budget Reorganization

# NWS strictly adhering to Congressional funding lines for programs

#### 17 different funding lines went to 6 on April 1

- Facilities
- Observations
- Central Processing
- Analyze, Forecast, Assist
- Dissemination
- Science Technology Infusion

## Budget Restructuring – FY 15 (+ Facilities)

#### **Portfolios**

**Programs** 

**Observations** 

Surface, Ocean & Upper Air Observations
Observations Support

Central Processing

Data Collection
Centralized Guidance
Model Implementation
Supercomputing

Analyze,
Forecast,
Assist

Forecasts & Warnings
