Question 1: Please select your country and state/province of residence:* > US State: > OR	2
Items	2
Items	4
Question 2: Please select your profession(s)* (Please check all that apply):	7
Question 3: Select your individual area(s) of study/specialization* (Please check all that apply):	8
Question 4: What Unidata Data Visualization and Analysis packages do you use? (Please check all that	at appl9
Question 5: What Unidata Data Access tools do you use? (Please check all that apply):	10
Question 6: What Unidata Data Management tools do you use? (Please check all that apply):	11
Question 7: How often do you use Unidata packages/tools?	12
Question 8: Unidata provides analysis and visualization software that enables creativity among educators.	13
Question 9: Unidata provides analysis and visualization software that enables academic learning	14
Question 10: Unidata provides analysis and visualization software that enables scientific discovery	15
Question 11: If you have any suggestions or comments regarding Unidata Data Visualization and Analysis	products16
Question 12: Data access from Unidatas Internet Data Distribution is provided in a timely fashion	17
Question 13: Data access from Unidatas Internet Data Distribution is reliable	18
Question 14: What data are missing from Unidatas offering?	19
Question 15: I use these data for: (Please check all that apply)	20
Question 16: Are you familiar with RAMADDA ?	21
Question 17: If you have any suggestions or comments regarding Unidata Data Access tools, please ente	r them bel22
Question 18: The Unidata data management tools allow for management, manipulation, and sharing of the	e scientifi23
Question 19: The Unidata data management tools provide a functional way to distribute and access scient	ific dat24
Question 20: Unidata will play a significant role within the community distributing and providing access to or	dat25
Question 21: If you have any suggestions or comments regarding Unidata Data Management tools, please	e enter them26
Question 22: How have you used Unidatas Data Visualization and Analysis Packages? (Please check all	that appl27
Question 23: Do you feel the Unidatas Data Visualization and Analysis Packages have helped you advance	e in your28
Question 24: Are you aware of the support and training workshops available from Unidata?	29
Question 25: Rate your level of satisfaction with Unidata applications for each of the following categories:.	30
Levels	30
Question 26: What are the most critical data services, software, and cyberinfrastructure needed for improve	ring E31
Question 27: Are there unmet community needs where Unidata might be able to help or provide a service	?32
Question 28: What non-Unidata tools do you use for your work?	
Question 29: What hardware and operating systems do you have in your department?	
Question 30: What hardware and operating systems do YOU use?	35
Question 31: What is your overall level of satisfaction with the Unidata program?	36
