

American Meteorological Society
90th Annual Meeting Career Fair, January 17-21, 2010
Atlanta, GA

The AMS Career Fair, intended to facilitate the employment process for both applicants and recruiters, will be held in conjunction with the 90th AMS Annual Meeting (17 January - 21 January 2010) in Atlanta, Georgia. The Career Fair is an excellent opportunity for employers or universities to interact with individuals seeking employment or graduate school opportunities. Participation in the AMS Career Fair is offered at no cost to job/graduate school seekers or recruiters.

On the evening of Saturday, January 16, the Career Fair will open with a reception for the over 400 graduate students and junior and senior undergraduate students expected to attend the 9th Annual AMS Student Conference. This event is an ideal time to promote your organization, distribute literature on job vacancies and graduate school opportunities, and schedule interviews for later in the week. As a participating employer or university, you will be assigned a table in order to display handouts and other information about your organization.

The Career Fair will continue on Sunday, January 17 through Tuesday, January 19. While Saturday night's opening reception is open only to participants in the Student Conference, the Career Fair may be visited by any registered Annual Meeting attendee during its regular hours of operation (Sunday 5:00 p.m.-7:00 p.m.; Monday and Tuesday 9:00 a.m. - 5:00 p.m.).

If you are interested in reserving either a table for the opening night reception or for any day during the week of the Annual Meeting, please complete a reservation form at <http://www.ametsoc.org/meet/annual/reservationform.pdf> and return it by fax to 617-742-8718 or by email to bfarley@ametsoc.org no later than 23 November 2009. Space is limited so requests will be processed on a first-come, first-served basis. Specific information about the Career Fair will be emailed to you after we receive your reservation.

Please visit our Web site at <http://www.ametsoc.org/meet/annual/careerfair.html> for additional information on Career Fair activities.
