Unidata Community Datapedia – Concept

Sean Arms

Unidata Users Committee

Student Representative

Overview

- Vision

  - definition

  - practical use

- Social Network??

  - Where does the 'person' fit?

- Demo

What is a Datapedia?

- Datapedia:

  - 'Data'

What is a Datapedia?

- Datapedia:

  - 'Data'

  - 'pedia'

    - encyclopedia

What is a Datapedia?

- Datapedia:

  - 'Data'

  - 'pedia'

    - encyclopedia

  - wiki – implied

    - a type of collaborative website

What is a Datapedia?

- Datapedia:

  - 'Data'

  - 'pedia'

    - encyclopedia

  - wiki – implied

    - a type of collaborative website

  - A collaborative encyclopedia of data

Practical Vision

- I have data, or want data, and I would like to do something with it.

  - obtain

  - view

  - process

  - disseminate

Social Network??

- How does a social network fit into datapedia
  - typical view of data
    - data -> metadata

Social Network??

- How does a social network fit into datapedia

  - typical view of data

    - data -> metadata

  - social network

    - people -> metadata

Social Network??

- How does a social network fit into datapedia

  - typical view of data

    - data -> metadata

  - social network

    - people -> metadata

- Idea – On top of typical 'benefits' of social networking, how do people and data merge

Social Network??

- How does a social network fit into datapedia

  - typical view of data

    - data -> metadata

  - social network

    - people -> metadata

- Idea – On top of typical 'benefits' of social networking, how do people and data merge

  - people as metadata

Is there a need?

- Demo
    - What to expect
